

Secure a State Job

Management Level

What I Offer

Navigating the process of applying for a California state job can be overwhelming, but with personalized coaching, you can stand out in a competitive job market. My tailored coaching services are designed to guide you step by step, from resume creation to acing the interview process. Here's how I can support you as your California Career Coach.

Resume Development	LinkedIn Facelift
I create a professional state-formatted resume that showcases your skills, experience, and achievements to get noticed by hiring managers.	Enhance your LinkedIn profile to make it an impressive tool for job networking and to align it with your resume for a cohesive online presence and personal brand.
Exam and SOQ Education & Support	Mock Interviews & Hiring Process Coaching
I provide resources and guidance on preparing for state exams and review your Statements of Qualifications (SOQ)	We conduct mock interviews to practice and refine your responses, and I guide you through every step of the hiring process, ensuring you're fully prepared.
One-on-One Coaching	Skip the line access
Each session is tailored to your individual needs. Whether you need help with specific job applications, career path questions, or next best steps in life, I'm here to help guide you.	When you purchase a package you receive my personal information for unlimited access. Get direct access to me and priority session scheduling.
